Job Title: Carbon Data Analyst**Job Type:** Permanent**Start date:** ASAP but can wait for the right person**Schedule:** Mon – Fri, 9:00am to 17:30pm**Working Style:** Hybrid of office, remote and client site

Established in 2009, CGBC is Ireland's leading Sustainability & ISO consultancy. We are dedicated to driving sustainable practices and reducing carbon footprints across industries. We are passionate about leveraging data to make impactful changes in our operations and help our clients achieve their environmental goals. Join our dynamic team and contribute to a greener future.

Job Overview: We are seeking a detail-oriented and analytical Carbon Data Analyst to join our sustainability team. The ideal candidate will have a strong background in data analysis, environmental science, and carbon footprint assessment. This role involves collecting, analysing, and interpreting carbon data to support our sustainability initiatives and reporting requirements.

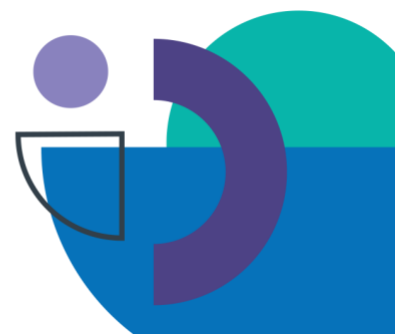

. For more information see www.cgbusinessconsulting.ie/

Responsibilities:

- Collaborate with clients to define the necessary data for organizational carbon measurement.
- Assist clients in providing accurate data for calculations.
- Complete carbon footprint reporting, aligning with GHG protocol and ISO14064-1 (Scope 1, 2, and 3).
- Offer guidance on additional data needed to enhance raw datasets for footprint measurement.
- Transform unstructured client-provided data into structured formats.
- Calculate, map, and publish carbon footprints for company measurement, management, and reporting.
- Develop and maintain strong relationships with clients and other stakeholders.
- Create internal process and reporting tools for streamlined deliverables.

Qualifications:

- Minimum 2 years of experience in a similar role.
- Detail-oriented and comfortable working with unstructured data.
- Self-starter with a strong sense of ownership.
- Effective verbal and written communicator, capable of simplifying complex concepts.

ISO Consultancy | ISO Auditing Services | Sustainability Services

What We Offer:

- Competitive salary
- Competitive pension package
- Private health care
- Full in-house training is provided
- Opportunities for professional growth and development.
- A supportive and collaborative work environment.
- Access to the latest tools and technologies.
